Re: *United States v. Sharmon Howell*, 09 Cr. 145 (GBD)

Dear Judge Daniels:

The Government writes with the consent of defendant Sharmon Howell respectfully to request a 30-day adjournment of the violation of supervised release conference currently scheduled for June 2, 2021, at 10:00 a.m.

The specifications against Howell concern multiple allegations of wire fraud, opening a line of credit without authorization, associating with a felon, leaving the judicial district, and failure to pay restitution. The parties have been actively engaged in discussions about a prehearing resolution to the specifications against Howell, including this past weekend. An adjournment will permit the parties additional time to discuss a prehearing resolution to the specifications against Howell, which has taken time given the large number of specifications. If the parties are unable to reach a resolution within the next 30 days, the parties will write again about the need to schedule a hearing to resolve the specifications. Defense counsel consents to this request for an adjournment.

Respectfully submitted,

AUDREY STRAUSS
United States Attorney for the
Southern District of New York
